## **1945, entre la euforia y la esperanza: el México posrevolucionario y el exilio republicano español (Spanish Edition)**

Mari Carmen Serra Puche, José Francisco Mejía Flores, Carlos Sola Ayape  
Parte de la colección Biblioteca de la Cátedra del Exilio, en este volumen los especialistas hacen un recorrido histórico riguroso por el año de 1945, en el que el clima de posguerra y antesala de la Guerra fría abre la brecha para terminar, por medio la Junta española de la Liberación con el exilio español. Se analiza la reconstrucción del gobierno, las instituciones republicanas y la economía en el México posrevolucionario, y la importancia del reconocimiento del gobierno de la República en el Exilio por la administración de Manuel Ávila Camacho, lo que lleva a su vez a la normalización de la agenda diplomática entre México y España. Finaliza en el debilitamiento del franquismo y la simpatía mostrada por las potencias internacionales con la causa de la república y la instauración en ese año de la democracia en España.
