Abel Espósito

2012. Oraculo Maya (Armonia / Harmony) (Spanish Edition) Abel Espósito

El surgimiento de la civilización maya se remonta aproximadamente a diez siglos antes de Cristo. Abel Espósito, un destacado investigador de las ciencias adivinatorias, repasa en este libro la historia y la cultura de ese pueblo, analizando en profundidad las siete profecías mayas que nos indican el camino de regreso a una existencia profundamente espiritual y la inminencia del fin del mundo en el año 2012. Pero una importante parte del libro está dedicada a los trece signos del Horóscopo y a los veinte sellos del Oráculo maya. En cuanto al Horóscopo, se describen las características generales de las personas que pertenecen a cada signo, los aspectos particulares según se trate de un hombre o una mujer, además de un análisis de las relaciones amorosas y de amistad entre las distintas personalidades. En relación al Oráculo, se presenta un estudio detallado de cada figura y están indicados tanto los aspectos positivos como los negativos que representa. Además, claro, se enseñan las tiradas de cartas que permitirán sacar el máximo provecho del Oráculo. Depende exclusivamente de cada uno tomar sus enseñanzas y comenzar a vivir una vida más parecida a la que siempre se soñó, pues el Horóscopo y el Oráculo mayas son los mejores caminos para conectarse armónicamente con el universo.
