A Diet to Die For: A Skinny Mystery (Skinny Mysteries) Sarah Steding

An event planner and yo-yo dieter finds herself embroiled in an intense murder investigation where she must catch the killer...and lose that extra twenty pounds.

BURNING CALORIES AND SOLVING CRIMES

Meet Jen Stevens—a hungry New York City event planner who’s 31 years old, 30 pounds overweight, and flirting with disaster when it comes to sticking to her diet. Working for the food-centric Yummy Channel, it’s hard to resist temptation. But when there’s a crime for Jen to solve, it’s easy as pie. . . .

Baker extraordinaire Bess Brantwood is one of the Yummy Channel’s brightest stars—and biggest divas. Despite the off-camera drama, Jen has to admit that Bess’s chocolate buttercream cupcakes drizzled with caramel are simply to die for—and kill for, as it turns out—when Bess’s body, like a baked good gone bad, is discovered . . . in a Dumpster.

Who iced the cupcake queen? Jen is determined to find out. With the help of her BFFs—fab foodblogger Gabby and lively life coach Elizabeth—she starts sifting for clues. She’s got all the ingredients to solve the perfect crime, including one delectable detective, one divalicious diary, and enough industry rivals for a battle of the network stars. But is Jen prepared to risk her life as well as her waistline? No matter how you slice it, revenge is sweet—and loaded with carbs.
