"So how did it all start? What did I think of Leila when I first saw her? Did I think she was breathtakingly beautiful the first moment I laid eyes on her? No. Did I fall madly in love with her on that first day we met? No....

What did I notice first then?

Her anger. She reeked of it."

A novella that speaks from Daniel's perspective. Get to know your favorite character in a whole new way as he reveals his sensual, passionate side. (And his sometimes angry, often funny side is pretty unforgettable too!)
