Nina Barrett

I Wish Someone Had Told Me: A Realistic Guide to Early Motherhood Nina Barrett

There's no shortage of "expert" advice for the new mother: books, doctors, and well-meaning grandmothers liberally give opinions on what you should be doing and how you should be feeling. But *I Wish Someone Had Told Me* is not a book of shoulds: it is a book about how women really handle the joys, the challenges, and the problems of being a mother. During the course of her interviews with more than sixty new moms, Nina Barrett made an important discovery. No one knows the secret: we are all putting our motherhood together from scratch. This collection of tales from the front addresses universal topics from labor (yes, it hurts), to marriage (babies may create a strain rather than a bond), to daycare (there is no Mary Poppins), to everyday life with a baby (what exactly does a newborn do all day?). This book by mothers for mothers will instill confidence in all new mothers who fear that every other mother knows something that they do not.

From reader reviews:

Robert Qualls:

Playing with family in the park, coming to see the ocean world or hanging out with close friends is thing that usually you may have done when you have spare time, subsequently why you don't try factor that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love I Wish Someone Had Told Me: A Realistic Guide to Early Motherhood, you can enjoy both. It is excellent combination right, you still need to miss it? What kind of hang-out type is it? Oh occur its mind hangout people. What? Still don't understand it, oh come on its known as reading friends.

Tony Hill:

This great information may drawn you into fresh stage of crucial considering.

Bonnie Camacho:

In this particular era which is the greater man or who has ability in doing something more are more precious than other. Do you want to become one among it? It is just simple solution to have that. What you have to do is just spending your time very little but quite enough to enjoy a look at some books. Among the books in the top list in your reading list is definitely I Wish Someone Had Told Me: A Realistic Guide to Early Motherhood. This book which is qualified as The Hungry Hillside can get you closer in getting precious person. By looking way up and review this e-book you can get many advantages.

David Wilkens:

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this I Wish Someone Had Told Me: A Realistic Guide to Early Motherhood can make you truly feel more interested to read.
