Luces del sur (Spanish Edition) Danielle Steel

Danielle Steel nos trae una historia sobre perdón, amor y traición, ambientada en el seno de una familia adinerada y tradicional del sur de Estados Unidos.

Hace más de una década que Alexa Hamilton partió de Charleston sin trabajo, con una hija pequeña y el corazón hecho añicos. Ahora es una prestigiosa fiscal neoyorquina que se enfrenta al caso más importante de su carrera: la acusación de un presunto asesino en serie.

Durante la investigación, la hija de Alexa comienza a recibir amenazas de alguien que la vigila. A pesar de haber cortado todo contacto con su ex marido, Alexa se traga el orgullo y le pide que se lleve a la joven a vivir con él una temporada a Charleston, donde estará a salvo. Tom Beaumont no ha cambiado nada, sigue siendo el caballero apuesto y atractivo que Alexa una vez adoró, pero con una diferencia fundamental: hace mucho que se arrepiente de haber abandonado a la mujer de su vida y ahora quiere recuperarla a toda costa.

La crítica ha dicho...

«Una veterana de la exploración de las dinámicas familiares... Por supuesto, la multitud de lectores de Steel devorarán [este libro].»
