Moonlight can totally change your life.

And it all starts so simply.

You. Him.

The moon.

You're toast.

Okay, so maybe Shelby has made a few mistakes with boys lately (how was she supposed to know Wes had "borrowed" that Porsche?). But her stepmother *totally* overreacts when she catches Shelby in a post-curfew kiss with a hot senior: Suddenly Shelby's summer plans are on the shelf, and she's being packed off to brat camp. It's good-bye, prom dress; hello, hiking boots.

Things start looking up, though, when Shelby meets fellow camper (and son of a rock star) Austin Bridges III. But soon she realizes there's more to Austin than crush material—his family has a dark secret, and he wants Shelby's help guarding it. Shelby knows that she *really* shouldn't be getting tangled up with another bad boy . . . but who is she to turn her back on a guy in need, especially such a good-looking one? One thing's for sure: That pesky full moon is about to get her into trouble all over again.
