**Regional Policy and Planning in Europe** Paul Balchin, Ludek Sykora, Gregory Bull

*Regional Policy and Planning in Europe* explores the ways regional policy and planning systems across Europe have been influenced by:

- \* economic and monetary union
- \* the impending enlargement of the European Union
- \* the devolution of administrative power from central government to regional authorities
- \* the increased importance of environmental and urban issues.

Presenting a comprehensive overview of the economic basis of integration, this book examines the evolution of various systems of government, planning and forms of devolution.
