Neal Stephenson

Seveneves. Siete Evas (Spanish Edition) Neal Stephenson

Neal Stephenson vuelve con su mejor obra desde *Criptonomicon*, un golpe de autoridad en la ciencia ficción actual que ha logrado colarse en la lista de más vendidos del *New York Times*, crear una gran expectación ante su publicación, convencer unánimamente a la crítica y los lectores y convertirse en uno de los diez libros de ficción científica más vendidos en 2015 en Estados Unidos. Es, pues, en palabras de *Booklist*, «un libro destinado a dominar tus lecturas anuales de ciencia ficción», al afrontar algunos de nuestros desafíos más desconcertantes en una historia atrevida, absorbente y absolutamente brillante.

¿Qué sucedería si llegase el fin del mundo?

Cuando un hecho catastrófico convierte la Tierra en una bomba de relojería, se inicia una carrera desenfrenada contra lo inevitable. Las principales naciones del mundo elaboran un ambicioso plan para garantizar la supervivencia de la humanidad más allá de nuestra atmósfera. Pero los intrépidos pioneros sufren todo tipo de peligros imprevistos, hasta que solo queda un puñado de supervivientes...

Cinco mil años después, sus descendientes —siete razas diferenciadas que conforman una población de tres mil millones de personas— se embarcan en otro audaz viaje a lo desconocido, hacia un mundo alienígena totalmente transformado por el tiempo y los cataclismos: la Tierra.

Neal Stephenson —autor de genio asombroso e imaginación desbordante— combina ciencia, filosofía, tecnología, psicología y literatura en una excelente obra de ficción especulativa que nos ofrece un retrato de un futuro simultáneamente extraordinario y reconocible.

«Una obra maestra de la ciencia ficción hard que todo fan del género debería leer.»

Library Journal

«Los personajes centrales de Stephenson, en su mayoría mujeres, sirven como un correctivo necesario a los clichés del género.»

Chicago Tribune

«Una novela de grandes ideas, pero también de personalidades, de corazones, y de una clase particular de esperanza que solo aparece en las novelas de Stephenson.»

From reader reviews:

Christi Ross:

Book is to be different for every grade. Book for children until eventually adult are different content. As you may know that book is very important usually. The book *Seveneves. Siete Evas (Spanish Edition)* was making you to know about other expertise and of course you can take more information. It is extremely advantages for you. The book *Seveneves. Siete Evas (Spanish Edition)* is not only giving you far more new information but also for being your friend when you really feel bored. You can spend your current spend time to read your e-book. Try to make relationship with the book *Seveneves. Siete Evas (Spanish Edition)*. You never feel lose out for everything should you read some books.

Casey Larsen:

As people who live in the modest era should be update about what going on or details even knowledge to make these people keep up with the era that is always change and progress. Some of you maybe can update themselves by studying books. It is a good choice for you personally but the problems coming to a person is you don't know which you should start with. This *Seveneves. Siete Evas (Spanish Edition)* is our recommendation so you keep up with the world. Why, since this book serves what you want and wish in this era.

Matthew McDaniel:

Do you considered one of people who can't read enjoyable if the sentence chained inside the straightway, hold on guys this specific aren't like that. This *Seveneves. Siete Evas (Spanish Edition)* book is readable by means of you who hate the straight word style. You will find the information here are arrange for enjoyable reading experience without leaving even decrease the knowledge that want to give to you. The writer connected with *Seveneves. Siete Evas (Spanish Edition)* content conveys thinking easily to understand by many people. The printed and e-book are not different in the content material but it just different available as it. So , do you still thinking *Seveneves. Siete Evas (Spanish Edition)* is not loveable to be your top collection reading book?

Tami Anders:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge your information inside the book in which improve your knowledge and information. The info you get based on what kind of book you read, if you want have more knowledge just go with education and learning books but if you want feel happy read one having theme for entertaining such as comic or novel. Often the *Seveneves. Siete Evas (Spanish Edition)* is kind of reserve which is giving the reader unstable experience.
