Government of Our Own: The Making of the Confederacy William C. Davis

For four crucial months in 1861, delegates from all over the South met in Montgomery, Alabama, to establish a new nation. Davis (Jefferson Davis: The Man and the Hour, LJ 11/15/91) tells their story in this new work, another example of Davis's fine storytelling skill and an indispensable guide to understanding the formation of the Confederate government. Among the issues Davis examines are revising the Constitution to meet Southern needs, banning the importation of slaves, and determining whether the convention could be considered a congress. Also revealed are the many participating personalities, their ambitions and egos, politicking and lobbying for the presidency of the new nation, and the nature of the city of Montgomery itself.
