Lily (The Quest for Reason) LM DeWalt

Lily is a tragic and lonely vampire, unwittingly brought into her existence by Ian, a selfish but beautiful maker who has captured her heart for decades, even though he left her with no compass on how to navigate her strange new world. When she meets a coven of vampires that takes her in and treats her like family, all she thought she knew is brought into question. Things are further complicated when she finally finds love – Christian, a human man. Just when she's finally found happiness, Ian reappears, threatening to destroy everything Lily holds dear. When he once again removes all her choices, Lily is thrown into a world where Ian's ongoing sins are unstoppable and her family and newfound love seem lost forever.
