The "baby" of the Winters family, Chiara Winters is a top technical sales rep for United States IntelTech, Inc., one of the world's elite software companies. The job sends Chiara all over the world—and into a world of trouble when she inherits a secret about her boss's premier product that might have led to her partner's death.

In uncovering the truth and exposing her boss, Chiara finds a steadfast ally in John Mahoney, who is much more than a co-worker and friend. But Chiara and John have secrets of their own, which affect every decision they make as they pursue justice.

As their peril grows, Chiara is forced to accept the fact that the family she's fought so hard to distance herself from is her greatest defense against the threat posed by powerful forces determined to protect a valuable secret.
