BIALL Handbook of Legal Information Management

Loyita Worley

BIALL Handbook of Legal Information Management Loyita Worley

The second edition of this popular handbook has been thoroughly updated by the original team of experts and some new contributors, to provide current best practice guidance on the key legal information issues for every type of service. Each of the chapters is updated to reflect general changes in law libraries and their users in the past seven years. In particular, the handbook covers new information technologies, including social networking and communication. New chapters also focus on the key topics of outsourcing, and the impact of the 2007 Legal Services Act. The second edition of this valuable handbook continues to be an important professional reference tool for managers and staff of all types of legal information services, and will help them with the challenges they face in their work every day.
