Barry Harvey

## Can These Bones Live?: A Catholic Baptist Engagement with Ecclesiology, Hermeneutics, and Social Theory Barry Harvey

"Barry Harvey has written a small *Summa* for our time, a fine compendium of ecclesial wisdom for making Christian witness to the principalities and powers of our age. With massive learning, both theological and biblical, he offers us a real masterwork, a splendid demonstration of theological thinking at its best, fully mature and fully engaged with church and world alike."--**Ralph C. Wood**, Baylor University

"Barry Harvey contends that Free churches in North America, and throughout the world, do not merely exist in a state of division. Like the dry bones of Ezekiel's vision, they lie scattered and lifeless. But this book is not merely an exercise in social criticism. It constructively shows how to understand what it might mean for Christ's dismembered body to be re-membered. Harvey's aim is to enable readers to imagine such a future so that they may desire it. If he is successful, there is yet hope for renewal."--**Curtis W. Freeman**, Duke University Divinity School

"In this masterful account of the contemporary church, Barry Harvey demonstrates the frightening relevance of God's question of Ezekiel to our day. His scholarship is profound, although he displays it gracefully, and his insights penetrating. While accurately describing the political, social, and economic forces that have severed the sinews of Christ's body, this marvelous work also represents a fresh breath of the Spirit, offering a rich account of the ecclesial practices that may yet clothe us with new life."--**Elizabeth Newman**, Baptist Theological Seminary at Richmond

"This book serves up impressive scholarly breadth, grounded in many streams of the Christian tradition and argued in ways that remind all branches of the church of their best insights, instincts, and practices. Engaging social theory and politics, economic analysis and the humanities, Harvey offers an exciting and pastorally relevant ecclesiology grounded in scripture, tradition, and critical thinking. This book is valuable for students, scholars, clergy, and lay people interested in how we ended up in our current situation in matters of church, politics, and culture."--**Michael L. Budde**, DePaul University
