From Book 1: As the lone female in a houseful of men, Merrill Krause dedicates her life to caring for her family and their business, as her dying mother asked. Besides, it suits her; she's never felt like she fits what most people expect in a girl--she'd rather work with her father's horses and assist with the ice harvest. And though she's been mostly content up to this point, a part of her wonders if there will ever be anyone who will notice her amid the bevy of brothers determined to protect her from any possible suitors.

When Rurik Jorgenson arrives in their small Minnesota town to join his uncle's carpentry business, he soon crosses paths with Merrill. But unlike other men, who are often frightened away by her older brothers, Rurik isn't intimidated by them or by Merrill's strength and lack of femininity. The attraction between them begins to build...until Rurik's former fiance shows up with wild claims that bring serious consequences to Rurik.

Can Rurik and Merrill learn to trust God--and each other--when scandal threatens their newfound love?

Tracie Peterson's love for history and research fuel the bestselling stories she writes. She is the author of more than ninety novels and the recipient of the 2011 ACFW Lifetime Achievement Award. Tracie and her family live in Montana.
