Smut-Shorties: A great on-the-go short to satisfy your craving for smut!

A few years ago, my girlfriend and I rented an apartment together. After searching all over town, we finally found an apartment in a private home. It was perfect. Quiet and safe. The apartment above us the biggest of them. There was a family of four living in it. In no time at all, my girlfriend became fast friends with the neighbor's wife.

One weekend, we were sitting around when there was a knock on the door. I got to answer it. It was Nancy, the neighbor upstairs. She had come down to ask us to join her and her family for a barbeque. Since we didn't have much else going on, we both said yes and told Nancy we would be there around 4 pm.

****Please be aware that this is an Erotica short that contains raw sexual language and actions****
