Where You Can Find Me: A Novel Sheri Joseph

A searing exploration of a family's struggle to heal in the wake of unthinkable tragedy

A week after his eleventh birthday, Caleb Vincent vanishes with hardly a trace. After a three-year search, he is found living a seemingly normal life under a new name with a man he calls his father.

While outwardly stunned with joy at his safe recovery, Caleb's parents and sister are privately scrambling to gather together the pieces of a shattered family. To escape the relentless media attention surrounding her son's return, Caleb's mother, Marlene, decides to flee the country and seek refuge in Costa Rica with Caleb and his younger sister, against her estranged husband's wishes. There Marlene forms a makeshift household with her husband's expat mother and his charming, aimless older brother, all residing in a broken-down hotel perched at the blustery apex of the continental divide. In the clouds of their new home, the mystery of Caleb's time gone unfolds while new dangers threaten to pull him back toward his former life.

Where You Can Find Me, a darkly incandescent novel that progresses with page-turning suspense, is sure to establish award-winning author Sheri Joseph as a household name.
