## **Los mitos de Cthulu: 1 (Spanish Edition)** Howard Phillip Lovecraft

Obra cumbre del terror contemporáneo. Aunque varios son los autores que han contribuido a conformar los mitos de Cthullu, el núcleo de la mitología que envuelven se debe al genio del maestro de Providence, siendo sus discípulos y amigos quienes ahondaron en el camino trazado por Lovecraft y desarrollaron o completaron los senderos secundarios del conjunto. Los 20 relatos que presentamos en esta cuidada edición prologada y revisada por Luis Benítez, constituyen la columna vertebral de los mitos referidos y son verdaderos clásicos del horror contemporáneo.
