Love, or the Witches of Windward Circle: A Horror Farce

Love, or the Witches of Windward Circle: A Horror Farce Carlos Allende
Venice, California

Home to the broken, the dispossessed, and other scary folk.

In our prayers, we mispronounce the words of the paternoster; we curse the womb of the anomalous woman; we deny Christ and the Eucharist, and we praise Pilate's decision every Friday. Instead of fasting during Lent, we offer our bodies and souls to our master, Satan.

Nineteen-year-old Josie García is torn between true love with a down-and-out poet and the monetary stability that only a rich husband can provide. She owes rent—two months—and while her little landlady is docile enough to pretend that she has forgotten about the money, she's also a self-taught witch, planning to chop Josie's head off and use it as the main ingredient in a potion to recover her lost youth and become the beautiful woman she never was.

Creepy, campy, and yet incredibly lyrical, *Love, or the Witches of Windward Circle* is a wildly imaginative tale that spans five decades, connecting the otherworldly occult to the out-of-this-world bohemia of fiftiies Venice Beach.
