Mens Rea (2015 Daily Dose - Never Too Late) Brooke Edwards

James Carter is forty-five and has been a police officer most of his life. He married young, lost her young, and his life revolved around his work and his son. Young is a recurring theme in his life, he thinks, when he meets the considerably younger AUSA Derek Moore on a case and finds himself ruled by the whims of his heart.

The road to love between a hotshot lawyer and a veteran cop was never going to be smooth, not in the real world, but there are criminals, misunderstandings, and a lack of communication standing in their way too. Both are so stubborn and convinced their interest is one-sided that it takes a murder case, exhaustion, and an adjournment for them to get their act together. They move fast after that, but they both know there's no guarantee for tomorrow.

A story from the Dreamspinner Press 2015 Daily Dose package "Never Too Late."
