The hunt for a killer on a rampage of revenge in upstate New York leads Mack Bolan to a nest of criminals.

A vigilante is targeting local methlab gangs doing business with white supremacists. But innocents are dying in the wake of one man's killing spree. That places him squarely in Bolan's gun sights.

Trailing his quarry through chaos and death, Bolan exposes a new and far grimmer scenario—a conspiracy involving local power brokers. The goal is an act of homegrown terror orchestrated by rogue sleeper cells of the Chinese government. There's a fine line between rough justice and cold-blooded murder—something the Executioner understands all too well.
