Guerrillers del teclat (ORIGENS) (Catalan Edition)

Lali Sandiumenge

Guerrillers del teclat (ORIGENS) (Catalan Edition) Lali Sandiumenge

La Primavera àrab i, en concret, els aixecaments populars que van aconseguir derrocar Ben Ali i Hosni Mubàrak a principis del 2011 no van sorgir del no-res: al contrari, feia anys que s'estaven covant al carrer i al ciberespai. Aquest llibre és un homenatge a la jove generació digital àrab i al paper que ha tingut a l'hora de preparar el camí de les revoltes contra les dictadures que sacsegen el Pròxim Orient i el nord de l'Àfrica. Els bloguers i blogueres que la periodista Lali Sandiumenge ha conegut i entrevistat des del 2004 -i que són els protagonistes d'aquest llibre- tenen una mitjana d'edat de poc més de trenta anys, però ja es consideren a si mateixos membres de la «primera» generació d'activistes digitals. Van ser els pioners i la seva tasca ha estat fonamental per engendrar un nou llenguatge de dissidència i un nou tipus d'activisme per al canvi: individual però col·lectiu, autònom però col·laboratiu, acèfal i descentralitzat, local i regional i, ara mateix, global. *Guerrillers del teclat* mostra la importància que internet ha tingut i té al món àrab per promoure la llibertat d'expressió i la lluita democràtica i contra la tirania, però sobretot és la història apassionant d'un grup de nois i noies que van aprofitar amb valentia i creativitat totes les possibilitats de la xarxa i dels mitjans socials per conscienciar, polititzar i mobilitzar una generació que tothom creia adormida.
