## **Health & Safety at Work Essentials** Henmans Freeth LLP Solicitors

"...a very useful starter book for the novice, start-up employer and a handy means for professionals to explain to recalcitrant managers what their responsibilities are."

## **Health and Safety at Work Magazine**

**Find out how your business can simply comply with the extensive range of health and safety rules and regulations.**

Written by specialists in health and safety at Henmans Freeth solicitors, *Health & Safety at Work* is a handy, 'one-stop' guide for anyone responsible for health and safety issues in the workplace.

It sets out the background to health and safety law and provides practical health and safety advice on how to:

- Prepare your own health and safety policy document
- Know your legal obligations under the Health and Safety at Work Act
- Assess the health and safety risks in the workplace
- Produce your own health and safety risk assessment
- Provide health and safety information to your employees or colleagues
- Deal with the dangers of manual handling and VDU work
- Survey the health of your staff
- Get health and safety insurance
- React when a health and safety accident occurs
- Deal with a health and safety emergency
- Train your workforce in good health and safety practice
- Cope with an investigation by the Health & Safety Executive
- Defend against Health & Safety Executive prosecutions

Now in its eighth edition, *Health & Safety at Work* has just been updated to include details of recent health and safety legislation relevant to employers, amendments to existing health and safety legislation and recent health and safety statistics.

## ***Health & Safety at Work* Contents:**

- Your legal obligations under the Health and Safety at Work Act
- Registering your business
- Providing health and safety information to employees - the health and safety law poster, first aiders and the accident book
- Preparing your own health and safety policy document
- What to do when a health and safety accident occurs
- Health and safety signs
- How to produce your own health and safety risk assessment
- Health and safety dangers of manual handling and VDU work

- Dealing with employees with a disability or who are pregnant
- Health surveillance
- Health and safety insurance provisions
- Health and safety emergency procedures
- How to cope with an investigation by the Health & Safety Executive

### **From reader reviews:**

#### **Bradley Loy:**

Nowadays reading books become more than want or need but also be a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge even the information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want get more knowledge just go with schooling books but if you want feel happy read one with theme for entertaining for instance comic or novel. Often the Health & Safety at Work Essentials is kind of book which is giving the reader unstable experience.

#### **Glenn Hancock:**

Reading a guide tends to be new life style on this era globalization. With looking at you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Many author can inspire all their reader with their story or perhaps their experience. Not only situation that share in the books. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors on earth always try to improve their proficiency in writing, they also doing some investigation before they write to the book. One of them is this Health & Safety at Work Essentials.

#### **Ann Bland:**

Precisely why? Because this Health & Safety at Work Essentials is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will shock you with the secret the item inside. Reading this book next to it was fantastic author who also write the book in such wonderful way makes the content inside of easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of advantages than the other book have such as help improving your talent and your critical thinking technique. So , still want to hold off having that book? If I were being you I will go to the reserve store hurriedly.

#### **Joseph Blackwell:**

Do you one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Try to pick one book that you find out the inside because don't judge book by its deal with may doesn't work this is difficult job because you are scared that the inside maybe not while fantastic as in the outside look likes. Maybe you answer is usually Health & Safety at Work Essentials why because the amazing cover that make you consider regarding the content will not disappoint you actually. The inside or content is actually fantastic as the outside or cover. Your reading 6th sense will directly make suggestions to pick up this book.
