Las 185 ayudas para emprendedores (Spanish Edition) Expansión

Becas, subvenciones, ayudas a la innovación, bonificaciones de cuotas a la Seguridad Social y asesoramiento empresarial son algunos de los incentivos para poner en marcha tu propio negocio. Aquí podrás acceder a un centenar de las más representativas por comunidades autónomas.

Las ayudas se dividen en cuatro grandes grupos: bonificaciones de autónomos, de contratación de trabajadores, a la contratación y otras más específicas dirigidas al entorno local. Escoger la que mejor se ajuste a tus necesidades marca el inicio de una búsqueda en la que, además, deberás tener en cuenta otros factores. Acude primero a los organismos locales e identifica el sector. Pero recuerda que lo más importante es tener muy clara tu idea de negocio y ten en cuenta que la concesión de estos incentivos no es inmediata.

En este libro conocerás de primera mano cuáles son los incentivos para la creación y desarrollo de negocio y qué sectores ofrecen las mejores oportunidades para emprender. Asimismo, podrás acceder a una serie de consejos muy prácticos para que tu empresa no se tambalee: cómo trabajar en equipo, iniciar con paso firme el proceso de internacionalización e identificar los mejores protectores de tu organización.
