Moondance Beach: A Bayberry Island Novel Susan Donovan

In the latest Bayberry Island romance from by *New York Times* bestselling author of *The Sweetest Summer*, it might take more than a magical mermaid statue to bring together a hard-headed Navy SEAL and the mysterious artist who's loved him from afar...

Duncan Flynn long ago said goodbye to his hometown of Bayberry Island, Massachusetts, where a mermaid statue allegedly grants true love to the pure at heart. So when the injured Navy SEAL gets sent home—just in time to help his family prepare for the annual Mermaid Festival—he's not in the mood to celebrate. Nor fall in love. But during a night run on the beach, a magnificently naked woman emerges from the surf who bears an uncanny resemblance to the mermaid in Fountain Square.

Adelena Silva's otherworldly mermaid paintings have made her famous and wealthy, but Lena herself is a recluse—at least until Duncan Flynn comes home. She's secretly loved him her whole life, and is determined not to let him get away again. But will revealing her truth win his heart, or cause Lena to lose him?

From the Paperback edition.
