Luiz Ruffato

Ellos eran muchos caballos (Spanish Edition) Luiz Ruffato

Luiz Ruffato, uno de los narradores brasileños contemporáneos más aclamados por la crítica y el público lector en lengua portuguesa, construye una novela desbordante de escenas, materiales y estilos para relatar un día del año 2000 en la megalópolis de San Pablo, una ciudad marcada por la diversidad y una extensión que parece infinita.

El mundo del trabajo, la marginalidad, la desigualdad, la violencia, pero desde una mirada absolutamente fresca y despojada de todo juicio, que narra desde la periferia de la cotidianidad de múltiples personajes, un mundo donde solo existen la complejidad y las contradicciones. Un libro inabarcable, donde el trabajo con el lenguaje y la prosa fragmentaria funcionan como un estroboscopio que revela de manera conmovedora un conjunto de seres anónimos en busca de una identidad.
