La virgen en el jardín (Spanish Edition) A. S Byatt

«Una novela amplia, compleja, ambiciosa, llena de energía e ideas que nos hacen sentir más humanos.» IRIS MURDOCH El verano de 1953 se presenta cargado de buenos presagios: una joven monarca, Isabel II, ascenderá al trono en el Reino Unido y ninguno de sus súbditos puede sustraerse al fervor religioso que este acontecimiento les provoca. Para los habitantes de una pequeña localidad de Yorkshire y, en especial para la excéntrica familia Potter, serán días intensos, trágicos e inolvidables, de sentimientos encontrados y extrañas alianzas. La joven, tempestuosa e inefable Frederica, por su parte, comprenderá poco a poco que la literatura y el ingenio no pueden servir de escudo contra la fuerza de las pasiones. La virgen en el jardín es una novela imperecedera y deslumbrante en la que se entrelazan la erudición y la sexualidad, el drama y la comedia. A. S. Byatt teje un fascinante tapiz de relaciones familiares, amorosas y profesionales que nos desvelarán mucho más de nosotros mismos de lo que creíamos conocer. «La comparación entre la escritura de George Eliot y la de Byatt ha sido frecuente y justamente utilizada. Las cuatro novelas del cuarteto de Frederica Potter son libros complejos, vívidos, morales y bastante masculinos, cuya celebración de la inteligencia y los fuertes sentimientos es profundamente estimulante.» Evening Standard «Una novela ambiciosa cuya técnica narrativa hace gala de sabiduría e inteligencia.» Times Literary Supplement
