## Leadership in Organizations: Current Issues and Key Trends

Leadership has proved a tricky beast to pin down and the subject has been approached from a variety of perspectives over the years. The beauty of this textbook lies in its role as an illustrative guide through the wilds of an elusive discipline.

This second edition of *Leadership in Organizations: Current Issues and Key Trends* offers a balanced combination of theory and practice to provide an up-to-date account of this multi-faceted topic. Looking at the international and comparative aspects of leadership, Storey also discusses new modes of leadership that will be required to steer organizations to success in a recessive environment. Topics include:

- Changing theories of leadership
- Strategy and leadership
- Ethics and leadership
- Leadership development in public sector organizations
- Followership and distributed leadership
- Leadership development in multi-national firms

With improved pedagogical features, this new edition is the ideal text for students of leadership studies, as well as practitioners looking to enhance their leadership skills.
