Neighbors From Hell: An American Bedtime Story Jan Frel, John Dolan

Neighbors From Hell finds itself nestled in the "children's book for adults" niche in the vein of *Go the Fuck to Sleep*. The book tells the story of the real life monsters in America who could be living next door, people like a repo man, a reality TV star, or a slumlord.

The playful rhymes provide the reader (whether a child or an adult), an informed perspective on the biggest social and economic problems facing our country.

Taras Kharecko illustrates stories by AlterNet editor Jan Frel and prolific author John Dolan that will intrigue children of all ages and terrify adults who understand the real damage caused by these monsters in our neighborhood.
