## **Online Learning: Strategies for K-12 Teachers** Wayne Journell

As online learning continues to become more prominent in K-12 education, it will be important that teachers are knowledgeable about both the potential of online learning and the challenges associated with moving curricula online. This book, written by a former secondary online teacher who now teaches online instructional methods to practicing K-12 teachers, addresses those challenges and offers practical, research-based approaches to creating successful online learning experiences. Both novice and experienced K-12 teachers will benefit from the author's strategies for creating engaging, learner-centered instruction in an online format. This book is unique from other practitioner-oriented books on online learning in that it focuses exclusively on adolescents' experiences with online instruction.
