U2 - A Diary Matt McGee

This new and updated edition of U2 A Diary brings U2s story up to date with information about the band's ground-breaking film, U2 3D, recording sessions for No Line on the Horizon and the story of how the album was leaked online twice before its official release, the U2 360 world tour and Bono's back injury that forced an entire leg to be postponed and the band's struggles to decide how to follow No Line on the Horizon and the 360 Tour with new material.

Here is the complete history of U2 told exactly as it happened in day-by-day diary format.

As well as following the mid-1970's birth of the band to the present day in journal form, U2: A Diary also includes new revelations and fresh insights into key moments of U2's development.

Through interviews and extensive research, author Matt McGee sheds light on stories.

Fully illustrated with pictures spanning the bands career, this is a fanatically detailed account of a legendary group's life!
