## **A Free Man of Color** John Guare

John Guare's new play is astonishing, raucous and panoramic. *A Free Man of Color* is set in boisterous New Orleans prior to the historic Louisiana Purchase. Before law and order took hold, and class, racial and political lines were drawn, New Orleans was a carnival of beautiful women, flowing wine and pleasure for the taking. At the center of this Dionysian world is the mulatto Jacques Cornet, who commands men, seduces women and preens like a peacock. But, it is 1801 and the map of New Orleans is about to be redrawn. The Louisiana Purchase brings American rule and racial segregation to the chaotic, colorful world of Jacques Cornet and all that he represents, turning the tables on freedom and liberty.
