In their new Keeper roles, these extraordinary women must balance the fate of the world with their desires...

New Keeper Rhiannon Gryffald has her peacekeeping duties cut out for her—because in Hollywood it's hard to tell the actors from the werewolves, bloodsuckers and shape-shifters. Then Rhiannon hears about a string of murders that bear all the hallmarks of a vampire serial killer, and she must confront her greatest challenge yet. Together with Elven detective Brodie McKay, she heads to Laurel Canyon, the epicenter of the danger, where they uncover a plot that may forever alter the face of human-paranormal relations....

Don't miss the thrilling romance that started it all. *The Keepers* is included in this book!
