Kitty Goes to War (Kitty Norville Book 8) Carrie Vaughn

Kitty Norville, Alpha werewolf and host of The Midnight Hour, a radio call-in show, is contacted by a friend at the NIH's Center for the Study of Paranatural Biology. Three Army soldiers recently returned from the war in Afghanistan are being held at Ft. Carson in Colorado Springs. They're killer werewolves—and post traumatic stress has left them unable to control their shape-shifting and unable to interact with people. Kitty agrees to see them, hoping to help by bringing them into her pack.

Meanwhile, Kitty gets sued for libel by CEO Harold Franklin after featuring Speedy Mart--his nationwide chain of 24-hour convenience stores with a reputation for attracting supernatural unpleasantness--on her show.

Very bad weather is on the horizon.
