One of the Old Testament's most enigmatic prophecies is Ezekiel's vision of a new, restored temple in Jerusalem. What would a restored temple be like? How would it operate? And when might it be built? These and many other intriguing questions are addressed in this newly updated and expanded work based on extensive research and discussions with leading Jewish leaders and rabbis in the United States and Israel. Messiah's Coming Temple provides a thorough vision of this future center of worship during the coming messianic kingdom. Along with biblical interpretation of the key prophecies of Ezekiel regarding Messiah's coming temple, the work includes photos and descriptions based on a unique and detailed model of the future temple.
