Paul, Women, and Wives: Marriage and Women's Ministry in the Letters of Paul Craig S. Keener

Paul's letters stand at the center of the dispute over women, the church, and the home, with each side championing passages from the Apostle. Now, in a challenging new attempt to wrestle with these thorny texts, Craig Keener delves as deeply into the world of Paul and the apostles as anyone thus far.

Acknowledging that we must take the biblical text seriously, and recognizing that Paul's letters arose in a specific time and place for a specific purpose, Keener mines the historical, lexical, cultural, and exegetical details behind Paul's words about women in the home and ministry to give us one of the most insightful expositions of the key Pauline passages in years.
