The Long Road to Baghdad: A History of U.S. Foreign Policy from the 1970s to the Present Lloyd C. Gardner

A sweeping and authoritative narrative, *The Long Road to Baghdad* places the Iraq War in the context of U.S. foreign policy since Vietnam, casting the conflict as a chapter in a much broader story of American diplomatic and military moves in the region. Diplomatic historian Lloyd Gardner explains the Iraq War as the necessary outcome of a half-century of doomed U.S. policies. *The Long Road to Baghdad* is essential reading, with sobering implications for a positive resolution of the present quagmire.
