The Transformative Power of Performance: A New Aesthetics Erika Fischer-Lichte

In this book, Erika Fischer-Lichte traces the emergence of performance as 'an art event' in its own right. In setting performance art on an equal footing with the traditional art object, she heralds a new aesthetics.

The peculiar mode of experience that a performance provokes – blurring distinctions between artist and audience, body and mind, art and life – is here framed as the breeding ground for a new way of understanding performing arts, and through them even wider social and cultural processes.

With an introduction by Marvin Carlson, this translation of the original *Ästhetik des Performativen* addresses key issues in performance art, experimental theatre and cultural performances to lay the ground for a new appreciation of the artistic event.
