Double Takes (Wiley Investment (Hardcover))

Double Takes (Wiley Investment (Hardcover))

For four decades Professional Investor and its predecessor, Investment Analyst, the journal of The Institute of Investment Management and Research, has been publishing sound investment advice on topical issues from leading experts in the field.

The articles in this collection cover financial subjects ranging from the first introduction computers to mathematical techniques into finance, through the oil crisis years, to the valuation of brands, intellectual property and goodwill. Each article provides a fascinating insight both into the subject concerned and into contemporary thinking at the time of writing. All the articles have been selected for their significance to the financial world today. These fascinating articles are as relevant today as when first written.

The Institute of Investment management and Research (IIMR) is the professional Examining body for investment analysts and fund managers in the UK. It provides the 'Threshold Competence' examination for fund managers and analysts, in addition to a six paper Associate examination.

The Institute was founded in 1955 as the Society of Investment Analysts and changed its name in 1992. It was a founding member of EFFAS and has close links with AIMR in the US.

Professional Investor is the journal of the IIMR and is published ten times a year.
