Las edades de Sevilla (Spanish Edition) José Félix Machuca

En la medida que le atraigan y fascinen los personajes secundarios y, algunos hasta de tercera fila, hemos querido encontrar los perfiles más atractivos para acercarnos a las edades de Sevilla, desde su arranque colonial tartésico hasta nuestros días. Personajes reales, sacados de la nómina amplia de nuestra historia local, de la Hispalis romana a la Isbililla andalusí; desde la Sevilla americana a la afrancesada; desde ayer hasta antes de ayer. Personajes tan vivos como Marcus Valerius y Fabia Adrianilla; tan firmes como Sara la Goda y tan devastadores como el fuego de los mayús que arrasa la ciudad; tan ambiciosos como Aguirre el Loco y tan sorprendidos por los efectos nocivos del tabaco como Rodrigo de Jerez; tan cobardes como Juan Benavides Bazán y tan heroicos como González Cuadrado y Palacios Malaver...No están, lógicamente, todos. Pero todos los de este libro si que nos ayudan a entender las edades de Sevilla.
