'The perfect summer story – a funny and moving read set in glorious modern-day Poldark country.' – Bestselling author Jane Costello

Every summer has a story...

Since Pippa Harte was forced to take over her parents' farm, she's barely had time to shave her legs let alone make time for a date. Now she's more likely to be getting down and dirty mucking out the pigs – and avoiding those of the human male variety.

When Ben Retallick walks out of her childhood and back into her present it seems that perhaps Pippa has more time than she thought. All Poldark smoulders and easy-going charm, Ben's definitely worth whipping her wellies off for!

But Ben is a man with his own past and his own issues – and as much as she's enjoying having him around, she's got to get a grip. After all life isn't always a beach ... Then again, this is Cornwall.

Set on the gorgeous Cornish coast at the height of summer, this is the perfect romance to take on your hols!

Debbie is the author of *Cold Feet at Christmas*, the #1 Christmas bestseller!
