For a moment, a face flashed before my eyes--the most hideous face I'd ever seen. No matter how hard I tried to forget what had happened, I saw him everywhere I went. It was Loki--the evil god that I'd helped set free against my will.

I should have known that my first official date with Logan Quinn was destined to end in disaster. If we'd gotten into a swordfight, or been ambushed by Reapers, I'd have been more prepared. But getting arrested mid-sip at the local coffee hangout? I didn't see that one coming. I've been accused of purposely helping the Reapers free Loki from his prison--and the person leading the charge against me is Linus Quinn, Logan's dad. The worst part is that pretty much everyone at Mythos Academy thinks I'm guilty. If I'm going to get out of this mess alive, I'll have to do it myself. . .
