Desert City Diva: A noir P.I. mystery set in California (A Rolly Waters Mystery) Corey Lynn Fayman
A darkly humorous noir mystery featuring laidback, guitar-playing private investigator Rolly Waters.

Rolly Waters has many reasons to regret going out for Mexican food at 2.30 in the morning. Not least because then he would never have met dance-club DJ Macy Starr – possibly the most infuriatingly unpredictable and secretive client he has ever taken on.

Macy Starr wants Rolly to find out what happened to the young woman she knew as Aunt Betty, the woman who rescued her as a child and who then disappeared without trace. The only clue she has to go on is a curious one-stringed guitar.

Rolly's investigation leads to a weird world of alien-obsessed cults, a strange desert hideaway known as Slab City – and to a 20-year-old unsolved murder case. But how can he solve the mystery if he can't even trust his own client?

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Desert City Diva: A noir P.I. mystery set in California (A Rolly Waters Mystery) can make you really feel more interested to read.
