Simple Student Ministry Eric Geiger, Jeff Borton

Simple Student Ministry fine tunes the proven methods of #1 best seller Simple Church for the unique field of youth discipleship. Coauthor Eric Geiger, who contributed to the latter, takes a step forward here, neatly unpacking the key ideas of Clarity, Movement, Alignment, and Focus that will transform any over-stimulated youth program into a simpler, more results-oriented spiritual development process. Fun is still allowed, by all means, but the ultimate emphasis on maturing faith is simply essential. The anecdotal comparisons are current and on-target (Starbucks' well-publicized decision to retrain baristas in coffee making introduces the idea that youth leaders might also be wise to revisit the gospel essence of their ministry). And case study data gleaned from small to mega churches and parachurch ministries will give every youth leader a relatable reference point from which to begin the successful metamorphosis to Simple.
