The Betrayers (Lieutenant George Hastings) James Patrick Hunt

On a busy suburban street at almost nine o'clock on a misty November evening, two beat cops are machine-gunned down in one of the most brutal crimes St. Louis has ever seen. Did Deputy Chris Hummel and Deputy Wade Childers simply pull over the wrong reckless driver, or did someone target these two for a more sinister reason?

Lieutenant George Hastings is the primary investigator on the case, along with his detective Bobby Cain, an inexperienced but connected detective who is ambitious and impolitic. Hastings and Cain dissect the lives the two murdered officers, focusing in on Hummel after they learn that he did a year-long stint with narcotics undercover and helped put away one of the biggest meth dealers in the area. But what they uncover is much bigger than one bitter dealer's revenge, and much more personal.

With *The Betrayers*, James Patrick Hunt decisively marks his territory as a crime novelist to rival the best writers on the shelf today.
