The Flame in the Mist Kit Grindstaff

Set in an imagined past, this dark fantasy-adventure is for fans of Philip Pullman's *The Golden Compass*. Features Jemma, a fiery-headed heroine held captive in Agromond Castle, yet destined to save mist-shrouded Anglavia.

Fiery-headed Jemma Agromond is not who she thinks she is, and when the secrets and lies behind her life at mist-shrouded Agromond Castle begin to unravel, she finds herself in a chilling race for her life. Ghosts and misfits, a stone and crystals, a mysterious book, an ancient prophecy—all these reveal the truth about Jemma's past and a destiny far greater and more dangerous than she could have imagined in her wildest fantasies. With her telepathic golden rats, Noodle and Pie, and her trusted friend, Digby, Jemma navigates increasingly dark forces, as helpers both seen and unseen, gather. But in the end, it is her own powers that she must bring to light, for only she has the key to defeating the evil ones and fulfilling the prophecy that will bring back the sun and restore peace in Anglavia.

From reader reviews:

Robert Frye:

Book is to be different for every grade. Book for children until adult are different content. As we know that book is very important normally. The book The Flame in the Mist had been making you to know about other understanding and of course you can take more information. It is extremely advantages for you. The book The Flame in the Mist is not only giving you far more new information but also to become your friend when you truly feel bored. You can spend your own personal spend time to read your book. Try to make relationship using the book The Flame in the Mist. You never feel lose out for everything in case you read some books.

Andrew Fox:

Beside this particular The Flame in the Mist in your phone, it may give you a way to get nearer to the new knowledge or details. The information and the knowledge you may got here is fresh from your oven so don't possibly be worry if you feel like an older people live in narrow town. It is good thing to have The Flame in the Mist because this book offers to your account readable information. Do you sometimes have book but you don't get what it's about. Oh come on, that will not end up to happen if you have this within your hand. The Enjoyable option here cannot be questionable, just like treasuring beautiful island. Techniques you still want to miss this? Find this book as well as read it from currently!

Judith Judd:

That guide can make you to feel relax. This book The Flame in the Mist was multi-colored and of course has pictures on there. As we know that book The Flame in the Mist has many kinds or style. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and think you are the character on there. Therefore , not at all of book are generally make you bored, any it makes you feel happy, fun and rest. Try to choose the best book for you and try to like reading which.

Denise Kerrigan:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Flame in the Mist can make you feel more interested to read.
