The Flight of the Swans Devika D. Bai

The Flight of the Swans is a rich and fascinating family saga set in British India and Malaya. Cursed, and with blood on his hands, Captain Ramdas Rao Bhonsle is forced to flee Killa Fort, which has fallen to the British. A strange flight of swans signals his flight from Killa; a flight that will drive Ramdas and his family into further adversity. But great adversity spawns great dreams. Ramdas dreams of ousting the British from his motherland. His sons, the handsome and irascible Nilkanth and the plain and romantic Madhav dream of possessing the same girl, Tara Bai, who is the most beautiful courtesan in the land. And Ramdas' granddaughter, blind Arundhati, dreams only of seeing one day. Woven into this tapestry is a lone white swan inextricably linked to the ebb and flow of the Bhonsles' fortunes as they flee across India to Malaya.

From reader reviews:

Joseph Felix:

Information is provisions for folks to get better life, information currently can get by anyone with everywhere. The information can be a know-how or any news even an issue. What people must be consider while those information which is from the former life are difficult to be find than now's taking seriously which one works to believe or which one the particular resource are convinced. If you have the unstable resource then you buy it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Flight of the Swans as the daily resource information.

Taylor Becker:

Reading a book tends to be new life style in this era globalization. With reading you can get a lot of information that may give you benefit in your life. Along with book everyone in this world may share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their reader with their story or their experience. Not only the storyplot that share in the textbooks. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors nowadays always try to improve their talent in writing, they also doing some study before they write to the book. One of them is this The Flight of the Swans.

Barbara Kelley:

Your reading sixth sense will not betray you actually, why because this The Flight of the Swans publication written by well-known writer we are excited for well how to make book that may be understand by anyone who else read the book. Written throughout good manner for you, leaking every ideas and creating skill only for eliminate your current hunger then you still hesitation The Flight of the Swans as good book not only by the cover but also through the content. This is one book that can break don't evaluate book by its handle, so do you still needing another sixth sense to pick this!?! Oh come on your studying sixth sense already told you so why you have to listening to a different sixth sense.

Roger Richmond:

Is it anyone who having spare time and then spend it whole day by means of watching television programs or just laying on the bed? Do you need something new? This The Flight of the Swans can be the respond to, oh how comes? It's a book you know. You are consequently out of date, spending your free time by reading in this new era is common not a geek activity. So what these books have than the others?
