Toots and the Upside-Down House (The Toots Books) Carol Hughes

If only Toots hadn't been so angry with her father. If only she hadn't run home by herself. If only she hadn't seen the fairy on the ceiling. . . .

But then again, if things had been different, Toots's whole world wouldn't *literally* have been turned upside-down. And she would never have had the most amazing adventure. . . .

A rare, special book, *Toots and the Upside-Down House* combines fantasy and adventure with the real, everyday issues of love and loss. This is a dazzling debut novel, one that children--and parents--will return to again and again.

From the Trade Paperback edition.
