A Hindu Critique of Buddhist Epistemology: Kumarila on Perception: The 'Determination of Perception' Chapter of Kumarila Bhatta's *Slokavarttika* - ... Commentary (Routledge Hindu Studies Series) John Taber

This is a translation of the chapter on perception of Kumarilabhata's magnum opus, the *Slokavarttika*, one of the central texts of the Hindu response to the criticism of the logical-epistemological school of Buddhist thought. In an extensive commentary, the author explains the course of the argument from verse to verse and alludes to other theories of classical Indian philosophy and other technical matters. Notes to the translation and commentary go further into the historical and philosophical background of Kumarila's ideas. The book provides an introduction to the history and the development of Indian epistemology, a synopsis of Kumarila's work and an analysis of its argument.
