## **Ball Cap Nation: A Journey Through the World of America's National Hat** Jim Lilliefors

As the country grows increasingly diverse and complicated, Americans seek, and occasionally find, a common thread to unite them. And, as Jim Lilliefors reveals in his new book, that common thread is what the baseball cap is made of — indeed, what has transformed it into America's National Hat. As fads go, it's no longer even a fad, but a part of the national identity that, for better or worse, is a symbol of America. It feeds an illusion that Americans cherish — that despite their differences, and no matter what position they play — when wearing a baseball cap, they're all part of the same team. Exploring every aspect of caps and their culture — including the history, manufacturing, and evolution of baseball caps; collecting and caring for caps; cap etiquette; and even cap urban legends — and packed with photos throughout, *Ball Cap Nation* is a delightful look at a uniquely American phenomenon.

#### **Donna Cauley:**

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's heart or real their interest. They just do what the instructor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Ball Cap Nation: A Journey Through the World of America's National Hat can make you sense more interested to read.
